

Lesson Plan for Advanced Learners

by Marie Demene

This plan was designed for those with advanced knowledge of French, who wish to **polish or maintain their mastery** level. These lessons are **unstructured** and tend to focus on conversation and any other topics requested by the student (eg. dictation, phonemes). There is **no limit** in the number of lessons since mastering French is a **continuous process**.

French magazines and CDs included (at no extra cost)

Review of Intermediate French

Conversations on diverse topics (current events, travel, French culture, cuisine)
