

Lesson Plan for Beginners

by Marie Demene

This plan was designed to **introduce individuals** to French. It's divided into 24 one-hour lessons (1/week). By the end of this plan, **you will be able to speak, read and comprehend French for everyday** interaction.

You will also be **ready to express ideas**, requests and navigate in casual and formal conversations with other francophone individuals. Homework and additional e-mail support is provided.

Books and CDs included (at no extra cost): French the easy way & French verb workbook
